RESPITE CARE

Care for individuals while their families are vacationing or taking a break from caregiving is a specialty. We encourage families who are interested in this service to complete an assessment at the Copper Ridge Outpatient Assessment Clinic prior to the respite stay, or take advantage of our Short Stay Evaluation Program. A thorough assessment prior to the respite stay enables us to properly care for your loved one.

Processing Fee: \$500

Respite Stay/Assisted Living: \$350/day

Respite Stay/Comprehensive Care: \$400/day

SHORT STAY EVALUATION PROGRAM

This evaluation takes place at Copper Ridge and is a 14-day stay. The evaluation, conducted by a multidisciplinary team, is combined with the latest research findings in the treatment and management of Alzheimer's and other memory impairing illnesses. The result is a customized, comprehensive treatment and daily care plan designed to help your loved one realize his or her full potential. Copper Ridge staff will then assist you in planning to obtain the appropriate support and environment to implement the care plan.
